

# INSTITUTIONAL BEST PRACTICES

## Session 2020-2021

**1.Title:** Use of Effective and relevant Teaching, Learning & Assessment Methods

**Objectives of the Practice:** The best practices adopted envisage use of effective and relevant Teaching, Learning & Assessment Methods, and to make up actions towards student performance improvement.

**The Context:** Execution of best practices selected envisages special attention to struggling students, and optimum use of technological tools.

**Practice:**

1. Remedial or extra classes
2. Personalized coaching
3. Assisted with notes suitable for their levels
4. Technological support

**Evidence of Success:** Pass percentage increased but longer time frame is needed to achieve the goal.

**Problems Encountered and Resources Required:**

\*Remedial coaching with optimum accommodation in the class routine is a challenging task.  
\*Use of technological tools for teachers, and presence of adequate computers needs to be addressed to.

**2.Title:** Out-reach activities to sensitize students towards social responsibilities

**Objectives:** To involve students in various society and community related outreach programs and to inculcate the moral values among the students.

**The context:** Outreach programs sensitize students towards their duties and responsibilities within the society and community

**The Practice:** The college regularly conducts various outreach programs by involving students especially NSS cadres to serve the local community.

**Evidence of success:** It has enhanced the social networking among students.

**Problems Encountered and Resources Required:** During outreach programme it is noticed that more attention is required to improve the medical facility of the locality.
