**INSTITUTIONAL BEST PRACTICES**

**Session: 2017-2018**

**i.i) Title:** Use of Information Communication Technology (ICT) in teaching learning process

**ii) Objective:** Information and Communication Technology (ICT) in Education lead to quality student learning and better teaching methods.

**iii) The Context:** Use of Information Communication Technology (ICT) in teaching learning process facilitate an alternative method of teaching-learning.

**iv) The Practice:** Teaching faculty used various ICT tools in order to continue teaching learning process.

**v) Evidence of Success:** Teachers used platforms like Google meet, Zoom, WhatsApp, YouTube, etc to carry forward the teaching – learning process.

Use of ICT in teaching learning process improved the result and performance of the students in examinations.

**vi) Problems Encountered and Resources Required:**

\*Limited use of ICT tools

\*Limited accessibility

\*Limited technical support

\*Lack of effective training

\*Limited time.

To facilitate use of ICT, more ICT enabled class rooms are required for quality enhancement of teaching learning process.
