About Rabindrasadan Girls' College

Rabindrasadan Girls' College came into being in 1962 at the wake of the birth-centenary of the Nobel-Laureate and eminent scholar Rabindranath Tagore. Behind the establishment of the college was the commendable effort of founding fathers, who were primarily the members of the Tagore Centenary Committee of this district. Inspired by the lofty ideals of Tagore, the founding fathers of the college, felt the need for developing women education in this far-flung region of our country. Accordingly, this college was set up in 1962 utilizing the spare amount of the Tagore Centenary Committee and mass public donation.

Beginning with a handful of departments, Rabindrasadan Girls' College, over the ages, has evolved into a full-fledged undergraduate institution imparting Higher Education to the women of the district as well as those of the neighbouring states. Located at the heart of the town, the college provides an ideal ambience and congenial environment for girls to pursue higher education.

The College could take its present form due to the tireless efforts and noble vision of many philanthropists, academicians and generous donors. The college humbly recognizes the immense debt it owes to them. The college endeavours to translate into practice the noble ideals that inspired its founding fathers.

Initially the college was affiliated to Gauhati University, Guwahati. The college obtained affiliation of Assam University, Silchar with its set up in 1994. At present, the college offers courses in Arts and Commerce Streams at both H.S. and Degree levels.

The college seeks to provide a healthy environment of studies to the girls who enrol in this institute and also strives to equip the students with essential skills and confidence to take on a world that is rapidly changing in every sphere. Finally, the college hopes to instil the sense of responsibility in the students so that they become better citizens and responsible members of the society. Rabindrasadan Girls' College has been re-accredited (third cycle) with Grade B (CGPA 2.39) by the National Assessment and Accreditation Council (NAAC) in its latest assessment (September, 2024).

Message from Principal

Education is initiation into the life of spirit, a training of human soul in the pursuit of truth and the practice of virtue. The concept of education can never be static, it must allow one to evolve with time. With this concept and its focused vision & mission Rabindrasadan Girls' college has been imparting education to the girl students of the district of Sribhumi (erstwhile Karimganj) and nearby Districts and States. Though initially the college was offering the subjects of social sciences and languages, but with the time as it grew, it started offering the contemporary subjects like Commerce, Computer Science, Mass Communication etc. Recently the college has been accredited by NAAC with B grade (third cycle).

In accordance with the global trends in higher education the college is constantly striving to expand in curricular, co-curricular and infrastructural fronts. The college has now a girls' hostel with the capacity of 120 borders, three smart classrooms, badminton court, basketball court, and one air-conditioned auditorium.

In this institution, students find scope to develop themselves also in sports, games, cultural and community-oriented activities under the able, caring guidance and leadership of the dedicated faculty members. Students passing out of this college not only get degree but also equip themselves with social and moral values like sharing, dutifulness, forgiveness, team spirit, good citizenship, patience, tolerance, responsibility and integrity of character.

We believe that Rabindrasadan Girls' college is more than just a place of formal teaching-learning, here students find the scope to cultivate and equip themselves with everything they need to achieve excellence in their chosen walk of life finding their right place in the society.
